 PEST CONTROL
 P.O. Box 720266 San Diego, CA 92172-0266 (800) 378-PEST (7378)

Dear Tenant,

This letter is to provide you with information relating to pest control services at:

_____ (location)

Outside monthly service is being provided by Centurion Pest Control, P.O. Box 720266, San Diego, CA 92129, (858) 538-5400. Treatment includes the control of roaches, ants, and spiders. If inside treatment for your unit is required, arrangements should be made with the pest control company through the owner or property manager.

We are required to provide you with the following statement:

"State law requires that you be given the following information: CAUTION-PESTICIDES ARE TOXIC CHEMICALS. Structural Pest Control Companies are registered and regulated by the Structural Pest Control Board, and apply pesticides which are registered and approved for use by the California Department of Pesticide Regulation and the United States Environmental Protection Agency. Registration is granted when the state finds that based on existing scientific evidence there are no appreciable risks if proper use conditions are followed or that the risks are outweighed by the benefits. The degree of risk depends upon the degree of exposure, so exposure should be minimized."

"If within 24 hours following application you experience symptoms similar to common seasonal illness comparable to the flu, contact your physician or poison control center (800) 876-4766 and your pest control company immediately."

"If rodenticide ingestion occurs, you may experience symptoms of mild shock and/or bleeding. Anticoagulant reaction."

"For further information, contact any of the following: Your Pest Control Company (858) 538-5400; for Health Questions - the County Health Department (858) 338-2284, or (619) 565-5255 (nights and weekends); for Application Information - the County Agricultural Commissioner(858) 694-8980 and for Regulatory Information - the Structural Pest Control Board (800) 737-8188, 2005 Evergreen St., Suite 1500, Sacramento, California 95815."
